VAN SEATING - SAFETYEXCEL

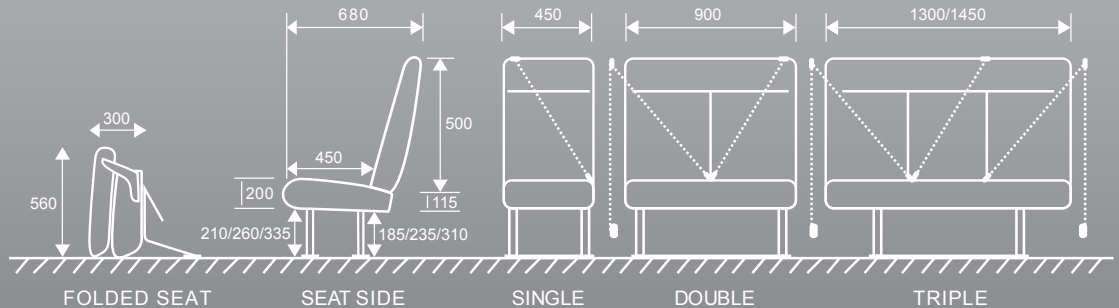

Seat in stored position.

Release leg catch to fold forward and pull front pins to remove seat.

Release red lever and fold back rest down.

The above shows the standard seat belt configuration. Please specify different configuration when ordering if needed. All dimensions are in mm and approximate only. Width dimension shown is cushion width only - overall seat width is +60mm. If dimensions are critical to the application please contact us before purchase. Single seats are available with 335 / 310 pedestal height in fixed version only. Seat belts illustrated viewed from the front. Height of floor brackets 42mm max.

ECONOMY Seat option

Standard Folding only arm restraint

Standard Adjustable head restraint

Optional Genuine leather trim upgrade

THE SAFETYEXCEL ADVANTAGE

The SAFETYEXCEL allows you to carry extra passengers in superior comfort and safety; the seat incorporates integrated over shoulder retracting seat belts and head and arm restraints for additional support.

The fully-integrated belts advantage permits the SAFETYEXCEL to be stowed closer to the front seats for maximum space efficiency.

- Single, double & triple seats
- Integrated 3 point retracting seat belts
- Contoured ergonomic cushion offering thigh & lumbar support
- Genuine fabric
(where available, front images shown in VW Austin Titanium Fabric)
- Fixed version available - forward or rearward facing
- Forward folding, quickly removable
- Child restraint anchorages for every position
- **ECONOMY Seat also available** - see image above
