

**TOYOTA HIACE COMMUTER H300 PEOPLE MOVER 03/2019 On
REMOVABLE BASE TRIPLE REVERSE FACING FLIP-UP SEAT**

The Removable Base Triple Reverse Facing Flip-Up seat offers smart and unobtrusive additional seating for the Toyota Hiace Commuter H300.

All seat cushions are easily removable and stowable, to allow greater space for two wheel chairs to be loaded. The nearside automatic folding seat base and handy doorway assist handle, allows easy access in and out of the vehicle for all passengers. Headrest posts are reinforced for longevity. Styled to match factory interior.

Engineered and tested to Australian Design Rules, Manufactured in Australia and Technical Support staff available to work directly with installers to ensure a time and cost efficient installation method.

Part Codes
